

The graph displays the change in mean scores for 15 individuals from Baseline to Endline. The y-axis represents mean scores from 0 to 100. The x-axis shows Baseline (0) and Endline (1). A vertical line separates the two time points. Most individuals show a decrease in scores, with some showing a slight increase.

Individual	Baseline (0)	Endline (1)
1	95	85
2	85	75
3	80	70
4	78	68
5	75	65
6	70	60
7	65	55
8	60	50
9	55	45
10	50	40
11	45	35
12	40	30
13	35	25
14	30	20
15	25	15
